Note: This is **not a room reservation form**. This is a **confirmation form** for rooms already reserved. This will verify the number of rooms reserved and the names of the guests in these rooms to assist with a smooth check-in at the hotel.

**Instructions:** Conference advisers, complete this form **after** you have **made and received your confirmation number(s) for hotel room reservations (1)** to ensure that you have the proper number and type of rooms; **(2)** the hotel knows the approximate time of your arrival and departure; and **(3)** the hotel knows the method in which you are paying for your hotel rooms. Make additional copies of this form if needed so that you can list the names for each of your reserved sleeping rooms (i.e., five rooms reserved will require two forms; nine rooms reserved will require three forms, etc.). If you have any changes after submitting this form, please contact Katherine Burneko at 703-413-1300x4038.
